Engaging "Step Up, Speak Out" Forum in Sunset Park

JESSE HAMILTON March 24, 2016

| ISSUE: **COMMUNITY EVENTS**

"Step Up, Speak Out" offers community residents the opportunity to voice concerns, connect with resources, and connect with one another. I am really pleased to partner with colleagues, Congresswoman Velázquez, Assistant Speaker Ortiz, Borough President Adams, and Council Member Menchaca in hosting this in Sunset Park last night. Thanks to all the representatives from government agencies, community groups, and neighborhood residents who made for an engaging, productive forum.
