## Tackling Mental Health Challenges in Brooklyn

JESSE HAMILTON April 29, 2016

| ISSUE: **MENTAL HEALTH**

Pleased to join First Lady Chirlane McCray, Deputy Mayor Richard Buery, Assemblyman Nick Perry, and further advocates, experts, and community residents for the ThriveNYC Brooklyn Town Hall last night. We can advance mental health for all New Yorkers through education, good public policy, and our sustained efforts. Thanks to all who joined us.
