Addabbo Delivers Food Donations to Sacred Heart Church

JOSEPH P. ADDABBO JR. March 1, 2016

| ISSUE: **FOOD BANKS**

After partnering to host another successful food drive for Valentine's Day, Senator Joseph P. Addabbo, Jr. was proud to drop off the collected items recently at Sacred Heart Church in Glendale. The drive collected hundreds of items – including nonperishable foods, toiletries and paper and plastic products – that were dropped off at Senator Addabbo's office, and he later delivered them to the church's food pantry for use in the coming months. The Senator thanked all those who donated and encouraged the community to continue helping out by donating to future food drives he plans to hold with Sacred Heart.
