

NEW YORK STATE SENATOR

Jesse Hamilton

## Community Cooperation for Campus Success

JESSE HAMILTON May 6, 2016

| ISSUE: **EDUCATION, HEALTH AND WELLNESS, MENTAL HEALTH**

Great tour of "the Campus" today with Assemblywoman Latrice Walker, Commissioner of the NYS Office of Temporary and Disability Assistance Samuel D. Roberts, and community partners. The momentum is building toward this first technology and wellness hub at a public housing site in the US. I'm proud to be joined by so many colleagues, city and state agencies, and community groups dedicated to making this initiative a success.
