Senator Jack M. Martins (R-7th Senate District) recently joined with Ronald McDonald House of Long Island (RMHLI) in recognizing some very special mothers for Mother's Day.

Senator Martins visited RMHLI in New Hyde Park with local McDonald's franchisees to wish the mothers who were staying at the house with their families a very happy Mother's Day. They presented them with tokens of appreciation and thanked them for all they do for

their children and families.
