Honored to be a torch bearer at first ever Brooklyn Senior Games. Great fun to celebrate senior athletes and promote healthy living. Thanks to partners in presenting the games NYC Parks, Brooklyn Borough President Eric Adams, NYC Councilman Robert Cornegy, NYS State Senator Kevin Parker. And thanks to community partners the New York Police Department, the New York City Department of Transportation, and the Fire Department of New York. Thanks as well to game sponsors Dr. Lipnitsky of Pain Free NYC, Emblem Health, New York Road Runners (NYRR), Golden Krust, Humana, and Super Food Town.

Best of luck to all the athletes!
