Senator Jack M. Martins (R-7th Senate District) recently congratulated the Manhasset High School Boys Cross Country Team on winning the 2015 Nassau County Class II Championship.

“All teams, no matter the sport, aspire to finish their season at the top, but it’s much easier said than done. Manhasset High School’s Boys Cross Country Team was one of the elite

teams who were able to achieve it, and it was their strong work ethic, talent, and drive that led them to the title. Congratulations to the team on earning the county championship,” said Senator Martins.

Senator Martins presented the team with a legislative resolution he sponsored, which was passed by the Senate, in recognition of their accomplishment. With passage of the resolution, their names and achievement will forever be part of the New York State Senate’s official record.
