

NEW YORK STATE SENATOR

Rich Funke

Funke to host Jobs Fair Wednesday at MCC

RICH FUNKE June 20, 2016

| ISSUE: **JOB FAIR**

Senator Rich Funke will host a free jobs fair, facilitated by the August Group, at Monroe Community College on Wednesday, June 22, 2016 from 1:00 to 5:00 p.m. Area residents seeking employment or a career change are invited to attend to connect with prospective employers from around the Greater Rochester region.

“When you are out of a job, nothing matters more than getting back to work,” said Funke. “Our free jobs fair will be a great opportunity for job seekers to connect with employers in

some of our area's fastest growing fields, like healthcare, advanced manufacturing, professional services, and more. If you are looking for a job or a career change, we hope to see you at MCC this Wednesday!"

Funke's jobs fair is free and open to the public. Employers present will feature job opportunities in the fields of healthcare, manufacturing, engineering, professional services, and more. Job-seekers are encouraged to arrive early and bring multiple copies of their resumes. Free parking is available on the MCC campus, 1000 East Henrietta Road, in lots M and M1.

The August Group is a volunteer organization committed to retaining local talent in the Greater Rochester area by facilitating career and business networking for professionals, both employed and those seeking new or different employment. For more, please visit www.augustgroup.org.
