Senator Martins Discusses Issues With Albertson Square Civic Association

JACK M. MARTINS June 23, 2016

Senator Jack M. Martins (R-7th Senate District) served as the guest speaker at a recent meeting of the Albertson Square Civic Association.

Senator Martins updated the members about some of the issues addressed during the recently concluded state legislative session, including income tax cuts; record state education aid to local schools; workforce development; environmental protection; and recently enacted laws to combat the heroin epidemic.

Senator Martins is pictured speaking with members of the Albertson Square Civic Association at their recent civic meeting.
