Senator Bonacic Attends Legoland Open House in Goshen

JOHN J. BONACIC July 8, 2016

(Middletown, NY)-Senator John J. Bonacic (R/C/I-Mt. Hope) joined local community members and representatives from Legoland at an informational open house, yesterday, to discuss the proposed construction of a Legoland park in the Town of Goshen. The open house took place at Palacio Conference Center in Goshen. Legoland is proposing to build a park in the Town of Goshen, and this open house was a way for representatives from the company to meet with members of the community, answer their questions, and discuss potential job opportunities. Currently, Legoland operates parks in California and Florida, as well Dubai, Germany, Denmark, Malaysia and the U.K.
