G. Ray Bodley Students Lends Voice to Ritchie's Women's Leadership Event

PATTY RITCHIE July 8, 2016

Erica Perwitz, a member of the “Quirks Players” and student at G. Ray Bodley High School recently shared her musical talents with those attending a women’s leadership event hosted by State Senator Patty Ritchie at SUNY Oswego.

At the event, which was sponsored by the Upstate Women’s Leadership Council—a group that aims to increase opportunities for the personal and professional advancement of women throughout the Central and Northern New York regions—Erica sang the National Anthem.
