Light the World Foundation's 6th Annual Arts and Music Festival

JESSE HAMILTON July 9, 2016

| ISSUE: **COMMUNITY EVENTS**

My pleasure to partner with the Light the World Foundation in presenting this community event with global reach. Not only did we have an opportunity to come together and enjoy great music, great food, and a great community, we also advance education for young people in our community and in Haiti through Light the World's outstanding scholarship program. An excellent celebration of our community's rich heritage.
