| ISSUE: **SENATE INTERNS**

Senate Majority Leader John Flanagan (2nd Senate District) recently welcomed Jason Tropper of Commack to his office as a summer intern. A 2015 graduate of Commack High School, Jason is currently majoring in political science at SUNY Geneseo where his academic achievements resulted in his inclusion on the Dean's list.

Throughout his internship, Jason has been instrumental in assisting Senator Flanagan and his staff in their work on behalf of the residents of the 2nd Senate District.

"Jason is a fine young man who was great resource for everyone on our staff. I truly appreciated his efforts and thank him for volunteering his time to benefit those we represent. We wish him all the best in the upcoming school year," said Senator Flanagan.
