Senator Jack M. Martins (R-7th Senate District) and the Alzheimer's Foundation of America (AFA) today brought a free memory screening program to the Bryant Library in Roslyn.

Over 50 residents received screenings which consisted of questions to gauge memory, language and thinking skills.

Residents who were unable to attend but would like more information about getting a memory screening can call Senator Martins' office at 516-746-5924 or the Alzheimer's Foundation of America at 866-232-8484.

Senator Martins is pictured with AFA Project Coordinator Heather Saposnick, LMSW at the free memory screening program held at the Bryant Library.
