

NEW YORK STATE SENATOR

Jack M. Martins

Senator Martins to Sponsor Breast Cancer Screening Program in Great Neck

JACK M. MARTINS August 15, 2016

| ISSUE: **WOMEN'S HEALTH**

Senator Jack M. Martins, in conjunction with NuHealth, is sponsoring a breast cancer screening program on Thursday, September 8th from 9 am to 12 pm at the Great Neck Social Center (80 Grace Avenue, Great Neck).

Appointments are necessary and will be scheduled on a first-come, first-served basis. On site nurses and technicians will provide a mammography, a clinical breast examination and instructions for self examination. Patients and their physicians will be notified of the exam results.

NuHealth's guidelines for the program are as follows:

- The program is open to Nassau County women age 40 and over.
- Women who are covered by insurance, Medicaid or Medicare will have their carrier billed and must bring their information card to the screening, along with a prescription from their physician.
- Women 40 and older without health insurance may be eligible for the Cancer Screening Grant Program which covers the cost of screening and follow up if necessary.

Women wishing to make an appointment for a breast cancer screening should call Senator Martins' office at 516-746-5924.
