

NEW YORK STATE SENATOR

Patty Ritchie

Ritchie Helps Celebrate Grand Opening of New Community Center in Gouverneur

JOHN FRIOT September 23, 2016

State Senator Patty Ritchie recently joined with local leaders to cut the ribbon on a new community center in Gouverneur.

Located in Riverside Park, the community center was built in a joint effort between the town and village. Last year, Senator Ritchie secured \$100,000 in special funding to make the project possible.
