JESSE HAMILTON September 21, 2016

| ISSUE: **COMMUNITY EVENTS**

Euphemia S. Adams of Families On The Move of New York City, Inc. provides important services to the families of Brownsville. Here she is speaking the Campus stakeholders' meeting. Through the window you can see police investigating the scene of the tragic shooting that took place 20 minutes before the meeting started - a stark reminder of the reason we're working to bring resources to Brownsville. Thanks to all the Campus stakeholders who were able to attend and continue to persevere in the face of challenges.
