| ISSUE: **LOCAL ROADS BRIDGES TRANSPORTATION**

We will continue to partner with our colleagues in government together with the local highway superintendents and local leaders across this region and state to keep this vitally important challenge at the forefront of Albany's attention -- to keep letting everyone know that the improvement and upkeep of local roads and bridges is a wise use of taxpayer dollars. Every additional dollar of state support means a dollar less that our local property taxpayers have to pay.

Senator O'Mara offers his weekly perspective on many of the key challenges and issues facing the Legislature, as well as on legislative actions, local initiatives, state programs and policies, and more. Stop back every Monday for Senator O'Mara's latest column "From the Capitol..."

This week, "**Change started this time last year**"
