Civil Rights and Human Rights Speakout

JESSE HAMILTON November 16, 2016

| ISSUE: **COMMUNITY ENGAGEMENT, CIVIL RIGHTS, HUMAN RIGHTS**

Really important community meeting in the face of the recent uptick in hate crimes, harassment, and intimidation. Thanks to all the panelists who lent their expertise, all the colleagues and organizations who helped spread the word, and all the neighbors who helped us launch our Civil Rights Task Force. We look forward to bringing this important work forward and upholding our communities' civil and human rights.
