Film Screening: In Our Backyard

JESSE HAMILTON November 18, 2016

| ISSUE: **HUMAN TRAFFICKING, CRIME, CRIME VICTIMS, EDUCATION, FILM SCREENING**

Privileged to be a small part of filmmaker Danielle Rose's award-winning documentary "In Our Backyard." Her incisive exploration of sex trafficking in Brooklyn is eye opening. Thanks as well to Executive Director of ECPAT-USA Carol Smolenski, and Survivor Advocates Iryna and Shandra, for serving on a panel at the Park Slope United Methodist Church. Thanks to all the neighbors who joined us for an insightful discussion of this serious issue.
