JESSE HAMILTON December 5, 2016

| ISSUE: **EDUCATION, ELEMENTARY & SECONDARY EDUCATION, MENTORSHIP, COMMUNITY EVENTS, COMMUNITY ENGAGEMENT**

Dr. Sampson Davis brought a powerful message of dedication, education, and love to the students of Brownsville. We are committed to doing our part to help our young people rise up. We look forward to them becoming the doctors, authors, inventors, and innovators our communities need. A great day for P.S. 298 Dr. Betty Shabazz School, the Brownsville Collaborative Middle School, and the entire Brownsville community - thanks to everyone who was able to join us!
