

NEW YORK STATE SENATOR

Todd Kaminsky

Kaminsky writes to GOSR on bulkhead funding for Island Park residents

TODD KAMINSKY November 28, 2016

| ISSUE: **HURRICANE SANDY, SANDY, STORM RESILIENCY, NY RISING**

Senator Kaminsky wrote to the Governor's Office of Storm Recovery (GOSR) to demand answers as to why all residents of California Place North and South in Island Park have been denied bulkhead funding after being issued initial grant awards. Residents have been informed that they will no longer receive funding to repair bulkheads which they own, but are across the street from their homes.
