NYS Senator Roxanne J. Persaud's End of Year News Letter

SENATOR PRESAUD January 3, 2017

| ISSUE: **NEWSLETTER**

LEGISLATION

Each year thousands of bills are introduced in the State Senate for consideration to become law. These bills (pieces of legislation) are derived from many sources. In addition to elected officials presenting their ideas for changes in the law, sometimes new ideas are introduced by community groups, organizations or concerned citizens who may have a suggestion of how to improve the quality of life for all New Yorkers. This year two of the bills I introduced passed in the Senate. Here is some of the legislation that I presented. Please feel free to contact my office and let us know if you have an idea that will help make a difference.
