Senator O'Mara's weekly column 'From the Capitol' ~ for the week of January 9, 2017 ~ 'Snapshots of public opinion'

THOMAS F. O'MARA January 9, 2017

| ISSUE: **CONSTITUENT SERVICES**

Every year I hear from thousands of area residents who take the time through an e-mail, a letter, a phone call, a community meeting or in some other way to share their ideas and, especially, their views on the issues of the day. The input -- negative or positive, constructive or not -- helps provide the insight and understanding that matters.

Senator O'Mara offers his weekly perspective on many of the key challenges and issues facing the Legislature, as well as on legislative actions, local initiatives, state programs and policies, and more. Stop back every Monday for Senator O'Mara's latest column "From the

Capitol..."

This week, "**Snapshots of public opinion**"
