| ISSUE: **LAW ENFORCEMENT, POLICE, POLICE SAFETY**

"Today is National 'Law Enforcement Appreciation Day' (L.E.A.D.), please join me in remembering the courageous men and women of law enforcement who lead and put their lives on the line every day to protect, serve and keep our communities safe. Also, please keep in your thoughts and prayers the families of Orlando Police Department Master Sergeant Debra Clayton, as well as an Orange County sheriff's deputy, both of whom lost their lives in the line of duty today." - Senator Kathy Marchione
