Neighborhood Engagement in City Planning

JESSE HAMILTON January 14, 2017

| ISSUE: **HOUSING, AFFORDABILITY, COMMUNITY DEVELOPMENT, NEIGHBORHOOD ISSUES**

Crown Heights Tenant Union hosted a discussion on city planning today and great to see the house was packed! Great to have community dialogue on the issues surrounding the Bedford Union Armory. Clearly, Crown Heights is prepared for the detailed policy discussions and community participation on this and other issues.

Thanks to St. Francis de Sales School for the Deaf for hosting, Crown Heights Tenant Union, my NYS Assembly Colleague Assemblywoman Diana Richardson, and all who were able to join us.
