

NEW YORK STATE SENATOR

Jesse Hamilton

Advancing Sustainable Development with SUNY Leadership

JESSE HAMILTON January 20, 2017

| ISSUE: **SUNY (STATE UNIVERSITY OF NEW YORK), ENVIRONMENT, YOUTH LEADERSHIP, HIGHER EDUCATION**

Pleased to meet with SUNY Empire State College President Merodie A. Hancock and SUNY leadership team on the newly established SUNY UWI (University of the West Indies) Center for Leadership and Sustainable Development. Really proud New York is leading the way on innovating, connecting with partners, and developing solutions to challenges we face at home and abroad.
