Critical assistance for a critical issue. Really glad I could be a part of the Free Citizenship Application Assistance event with NYC Council Member Mathieu Eugene, CUNY Citizenship Now, the New Americans Campaign, Medgar Evers College, and CUNY. With the aid of advocates, experienced lawyers, and immigration professionals, we can help ease the pathway of what can be a long and intimidating process. Thanks to everyone who shared their expertise and information about the resources available to our community. And thanks to everyone who was able to join us.
