“My colleague and friend Randy Peers will be leaving his hometown of Brooklyn to take a position in Pennsylvania. As a member and former Chairperson of Community Board 7 and as the leader of OBT, he has had a positive impact on the lives of thousands of people. I thank him for his vision and remind him, that he may be living in another state, Brooklyn will always be home.”

Under Randy's leadership, Opportunities for a Better Tomorrow has expanded to six locations throughout NYC and serves over 5,000 people annually. The mission of OBT is to help disadvantaged youth and adults recognize their own self-worth, and advance towards self-sufficiency and financial security through job training, academic reinforcement, improved life skills, job placement, and support services. Opportunities for a Better Tomorrow is the largest provider of job training services for 17-24 year olds who are not working and not in school, the majority of whom do not have a High School Diploma.
