

NEW YORK STATE SENATOR

Catharine Young

Progress Continues For Restoration of Historic Hollywood Theater

CATHARINE YOUNG January 26, 2017

| ISSUE: **LOCAL GOVERNMENT, ECONOMIC DEVELOPMENT**

“We have successfully secured funding for the Hollywood Theater because it is a historic structure that is synonymous with Gowanda. Great progress has been made in restoring the iconic features of the original theater, and this additional funding will go a long way toward its re-opening. When fully restored, the Theater will be an attraction for heritage tourism, and generate economic activity for the surrounding businesses,” said Senator Young.
