St. Lawrence County "Reality Check" Members Visit Senator Ritchie In Albany

JOHN FRIOT February 17, 2017

State Senator Patty Ritchie welcomed members of Reality Check of St. Lawrence County to Albany recently. The group traveled to the State Capitol to advocate for support for their anti-tobacco efforts.

A supporter of Reality Check, Senator Ritchie was recently named Deputy Vice Co-Chair of the Senate Standing Committee on Health, a position that will allow her to more strongly advocate for improved health care for the people she represents in Central and Northern New York.
