

NEW YORK STATE SENATOR

Elaine Phillips

Senator Phillips & Albertson Square Civic Association Members Discuss Issues

ELAINE PHILLIPS February 24, 2017

Senator Elaine Phillips (R-Manhasset) attended a recent meeting of the Albertson Square Civic Association to talk about the issues with local residents.

Senator Phillips and the members discussed the State Budget, the need for continued fiscal discipline at the state level and the restoration of Nassau County's Senior Citizen Property Tax Abatement program, which helped eligible senior citizens save money on their property taxes. Senator Phillips sponsored legislation, which the State Senate passed, that

would give Nassau County the authority it needs to restore the program, which expired at the end of last year.

Senator Phillips is pictured speaking with members of the Albertson Square Civic Association.
