

NEW YORK STATE SENATOR

Patty Ritchie

Ritchie Welcomes New Farm Bureau President to Agriculture Committee Meeting

PATTY RITCHIE March 10, 2017

State Senator Patty Ritchie welcomed New York Farm Bureau's new president—David Fisher of St. Lawrence County—to this week's Senate Agriculture Committee meeting.

Ritchie, who serves as Chair of the Committee, asked Fisher to speak about "Vets-to Farms," a new program made possible through funding secured in the budget by Senator Ritchie that helps veterans and soldiers returning from war zones to pursue careers in agriculture. Fisher is awaiting final approval to have his farm—Mapleview Dairy in Madrid—participate in the

program.
