CLARKSTOWN, NY– The Marydell property in Clarkstown was officially acquired by the State on Friday and will become part of the NYS Parks system. Senator David Carlucci (D-Rockland/Westchester), was a strong advocate for the State to secure approximately \$2.5 million of a \$3.1 million total sale, acquiring the Marydell property in Clarkstown.

"Having the State acquire the Marydell property is an exciting public-private partnership to expand Hook Mountain State Park. Our collaborative efforts will result in linking the Nyack Beach State Park to the Long Path."

\$2.1 million of the State funding is coming from the Environmental Preservation Fund with \$450,000 coming from the Mid-Hudson Regional Economic Development Council. \$300,000 came from the Town of Clarkstown, \$100,000 from the Village of Upper Nyack, \$100,000 came from the Durst Organization and \$50,000 came from the Open Space Institute.
