

NEW YORK STATE SENATOR

Elaine Phillips

Senator Phillips' Easter Message

[ELAINE PHILLIPS](#) April 16, 2017

Easter is a time of joy. We celebrate love, hope, selflessness and compassion for others. As we celebrate those things, may we also share them in our own way, today and everyday, because they are some of the greatest gifts one can ever give or receive. Wishing you and your family very happy and joyous Easter!
