Statement Regarding Bonduelle Expansion

SENATOR MICHAEL H. RANZENHOFER April 20, 2017

| ISSUE: **ECONOMIC DEVELOPMENT, JOBS**

Empire State Development announced today that Bonduelle plans to expand operations, as well as create and retain more than 360 jobs. The frozen food processor is investing in new equipment and machinery at its locations in the Towns of Brockport, Bergen and Oakfield.

Senator Ranzenhofer has issued the following statement:

"Today's announcement by a major frozen food processor to invest and grow in Genesee and Monroe counties is further proof that our agri-business economy is strong. Bonduelle's expansion will create new opportunities and jobs for our residents. I commend the leadership team for their decision to help move our region forward."
