COMMENDING 2nd Lieutenant Corey Cooke upon the occasion of his designation as recipient of a Liberty Medal, the highest honor bestowed upon an individual by the New York State Senate

WHEREAS, It is incumbent upon the people of the State of New York to recognize and acknowledge those within our midst who have made significant contributions to the quality of life therein; and

WHEREAS, From time to time this Legislative Body takes note of certain extraordinary individuals it wishes to recognize for their valued contributions to the success and progress of society and publicly acknowledge their endeavors which have enhanced the basic humanity among us all; and

WHEREAS, The New York State Senate Liberty Medal was established by Resolution and is awarded to individuals who have merited special commendation for exceptional, heroic, or humanitarian acts on behalf of their fellow New Yorkers; and

WHEREAS, This Legislative Body is justly proud to honor 2nd Lieutenant Corey Cooke of the Freeport Fire Department upon the occasion of his designation as recipient of the Liberty Medal, the highest honor bestowed upon an individual by the New York State Senate; and

WHEREAS, On Monday, September 12, 2016, shortly before 6:30 a.m., 2nd Lieutenant Corey Cooke was driving to work in his personal vehicle; while travelling northbound on South Bayview Avenue, he noticed smoke to the east on Southside Avenue and detoured to investigate its source; as he drove down the street, it became apparent that the smoke was the result of a house fire on Roosevelt Avenue; and

WHEREAS, After parking his car, and notifying the Freeport Fire Department that there was a working house fire, 2nd Lieutenant Corey Cooke exited his car and quickly ran around the corner to investigate the fire and check the house for occupants; and

WHEREAS, Upon learning that the house was still occupied, 2nd Lieutenant Corey Cooke entered the front door and encountered four occupants in the living room who were attempting to evacuate an elderly woman on the second floor; as the house filled with thick smoke, 2nd Lieutenant Cooke physically guided the four people on the first floor to safety, while conditions continued to worsen; and

WHEREAS, 2nd Lieutenant Corey Cooke was told that the elderly woman had fallen from the second floor to the bottom of the staircase, next to the kitchen; without hesitation, he ran back into the smoke-filled home, and began to crawl towards the kitchen located to the rear of the house; and

WHEREAS, Guided by the terrified cries from the 90-year-old woman, finally located the victim lying on the floor, unable to move; grabbing the victim under her arms, 2nd Lieutenant Corey Cooke swiftly dragged

her towards the point of egress, while being forced to breathe the potent smoke; and

WHEREAS, As he approached the front door, 2nd Lieutenant Corey Cooke was met by an off-duty Nassau County Police Officer who grabbed the victim's feet and assisted him in carrying her out the doorway and down the front steps to safety; and

WHEREAS, Hearing fire engine 213 approaching the scene, 2nd Lieutenant Corey Cooke immediately ran to assist the Freeport Fire Department by hooking up the supply line to the hydrant; after being relieved by the crew of Engine 214, he returned to the scene to check on the victims; seeing that they were being taken care of, he helped Engine 213 establish a positive water source; and

WHEREAS, This remarkable man once again checked on the patients as they awaited the ambulances; he had been so busy taking care of the victims and helping his fellow firefighters that he had not noticed that his hands and arms were burned; and

WHEREAS, With only one ambulance on scene and multiple people needing care, 2nd Lieutenant Corey Cooke put off seeking his own medical attention, allowing those more critical to receive care from the incoming ambulances; using a bottle of water, he decontaminated his arms and hands before further assisting Freeport Police and EMS personnel with transporting patients to ambulances; and

WHEREAS, After an aggressive interior attack, the fire was placed under control approximately 30 minutes following the arrival of the first units; the four occupants that 2nd Lieutenant Cooke evacuated, as well as a fifth occupant who had self-evacuated, were transported to the Nassau University Medical Center where they were treated for smoke inhalation; the 90-year-old woman was admitted for smoke inhalation and burns, in addition to multiple fractures from her fall; and

WHEREAS, 2nd Lieutenant Corey Cooke and the Officer who helped him rescue the elderly woman were evaluated for smoke inhalation and released shortly after admission to the emergency room; and

WHEREAS, Fortunately, 2nd Lieutenant Corey Cooke was available to prevent a terrible tragedy; using his training and instincts, without Personal Protective Equipment or the protection of a charged hose line, he braved low-to-zero visibility smoke conditions with impinging fire to rescue the occupants from inside their home; and

WHEREAS, 2nd Lieutenant Corey Cooke should be regarded as a true hero; he has continually devoted himself to public service, demonstrating great courage and diligence in providing for the care and welfare of the citizens of their communities and this great Empire State; and
