(**Middletown, NY**)- State Senator John J. Bonacic (R/C/I-Mt. Hope) is pleased to announce today that several libraries in the 42nd Senate District have been approved by the New York State Education Department and New York State Library for capital improvements to their facilities. The funds are from \$19 million in capital funds for public library construction and broadband infrastructure projects that was provided in the FY2016-2017 State Budget.

Project activities and expenditures eligible for funding from the State Aid for Library Construction Program include financing construction of new library buildings, construction of additions to existing buildings, and the renovation and/or rehabilitation of existing space. Projects may include roof replacement, purchase and installation of alternative energy resources, new HVAC systems, windows, doors, lighting systems, electrical upgrades, and construction of new or replacement of old walkways and parking lots. Broadband infrastructure projects are also eligible.

“New York’s public libraries are in urgent need of renovation and upgrading,” said Senator Bonacic. “I’m pleased to announce that this funding, part of the FY 2016-2017 Budget that I supported, will help libraries in the 42nd Senate District renovate and upgrade their facilities which in turn will provide a truly enjoyable experience for everyone.”

A list of the awards in the 42nd Senate District include
