Senator Phillips Congratulates Long Island Alzheimer's Foundation on New Westbury Location

ELAINE PHILLIPS June 16, 2017

Senator Elaine Phillips (R-Manhasset) recently visited the Long Island Alzheimer's Foundation's (LIAF) new location in Westbury.

The new location will enable LIAF to expand and enhance the services they provide to individuals with Alzheimer's disease and their families. Senator Phillips congratulated the staff, board members and supporters and wished them many years of success at their new location.
