The ongoing, all-out effort at the local, federal, and state levels has demonstrated a strong commitment to preserving the integral role this plant has long played in the community as an employer and a lifeline for so many community institutions. This commitment must continue.

Campbell, N.Y., June 30—State Senator Tom O'Mara (R,C,I-Big Flats) released the following statement on **today's announcement** that Upstate Niagara has purchased the Kraft-Heinz (Polly-O) cheese factory in Campbell:

“This is positive news for many area workers and their families, dairy farmers, and the entire community of Campbell.
