| ISSUE: **ECONOMIC DEVELOPMENT AND SMALL BUSINESS, BANKING, FINANCIAL SERVICES, SMALL BUSINESS**

Outstanding conversation with banks, credit unions, and small business owners on overcoming challenges and finding common ground at our Economic Empowerment Tour yesterday evening on Long Island. We need to be sure our financial services sector meets the needs of all New Yorkers.

Special thanks to Assemblywoman Kimberly Jean-Pierre for co-hosting the event and to our moderator, Erica Chase-Gregory of the Farmingdale State College SBDC. Thanks to our sponsors and everyone who participated!
