Jesse Hamilton

Supporting Our Community Parks

JESSE HAMILTON August 1, 2017

| ISSUE: **PARKS AND RECREATION, PARKS, HEALTH AND WELLNESS**

Today I announced \$175,000 in state funding for Brower Park. This funding will help Brower Park better serve the residents of Crown Heights and our wider Brooklyn community. As pillars of our community, we must work to ensure parks facilities can support health and wellness. From our community's youth to senior citizens, I know all park goers will appreciate these upgrades and I am proud to have played a role in securing them.

I will continue to be a strong partner in making sure all our parks support all our communities.
