The Orleans/Niagara Board of Cooperative Educational Services (BOCES) was presented with \$45,000 for its nationally recognized Adult/Continuing Education healthcare programs offered at both its locations in Medina and Sanborn. The funding will go toward purchasing medical equipment and supplies for its Licensed Practical Nursing (LPN) program. With a high need for employees in the healthcare field, O/N BOCES is hoping the addition of new, state-of-the-art medical equipment will bolster the number of students in these programs.
