| ISSUE: **COMMUNITY EVENTS, ARTS AND CULTURE, CULTURAL INSTITUTIONS, CARIBBEAN AMERICAN HERITAGE**

My pleasure to join the West Indian American Day Carnival Association for Carnival Launch 2017 last night! Looking forward to celebrating the music, food, and culture of the Caribbean with friends and neighbors from Brooklyn and around the world in the coming weeks.

Thanks to WIADCA for all the events produced this time of year, as well as the wonderful events they produce and partner in year round.
