Senator Elaine Phillips Attends Annual Nassau County Veterans Picnic

ELAINE PHILLIPS September 8, 2017

Senator Elaine Phillips attended the 7th Annual Nassau County Veterans BBQ Picnic held earlier this week at Eisenhower Park.

“As Americans we have no greater obligation than to honor and thank our veterans for their service to our Nation,” said Senator Phillips. “We must never forget the sacrifices our veterans have made and continue to make for our country. It was an honor to participate in this wonderful tribute to our POW and MIA veterans.”
