Upholding a Historic Tradition of Healing

JESSE HAMILTON September 19, 2017

| ISSUE: **PUBLIC HEALTH, COMMUNITY HEALTH, COMMUNITY HISTORY**

Thank you Medical Society of the County of Kings for your important leadership. I am proud we had a chance to honor both of your past presidents, Dr. Donald E. Moore, MD, and Travis E. Meyer, MD, at the Montauk Club on Saturday. It is amazing that your organization has been a leader in its field since 1822!

Brooklyn is lucky to have such a historic tradition.
