Senator Phillips Tours The Hicksville Long Island Rail Road Station

ELAINE PHILLIPS October 3, 2017

Senator Elaine recently toured the Hicksville Long Island Rail Road train station for updates on the ongoing station construction.

“As Chairman of the Senate Infrastructure and Capital Investment Committee, and a LIRR commuter for many years, I understand the importance of a safe and seamless transportation system,” Senator Elaine Phillips said. “I was very pleased to view progress of the major structure upgrades and modernization of the main line station.”
