Elaine Phillips

Senator Elaine Phillips Attends Educational Energy Program At Searingtown Elementary School

ELAINE PHILLIPS October 10, 2017

Senator Elaine Phillips recently attended Searingtown Elementary School's "The Energized Guyz" program, which teaches K-5 students about energy and the importance of being energy efficient.

"The Energized Guyz" is an educational theater program for local students sponsored by PSEG Long Island and the National Theatre for Children

“Learning to be energy efficient from a young age, even by remembering to turn off lights, is a valuable lesson and reinforces the importance of conserving our natural resources Senator Elaine Phillips said. “Thank you to Searingtown Elementary School for inviting me to attend this wonderful program and for emphasizing the importance of energy efficiency to your students
