Senator Elaine Phillips Announces Residents Of Sd7 Have Collected Over 14,000 Bottles Of Water In “H2O For Puerto Rico” Donation Drive

ELAINE PHILLIPS October 23, 2017

Senator Elaine Phillips today announced that Long Island Cares will be sending more than 14,000 bottles of donated water collected by residents of the 7th Senate District to Puerto Rico as part of her “H2O For Puerto Rico donation drive.”

“Thank you to all those who have donated bottled water, both online and at partnering drop-off locations throughout the district for our “H2O for Puerto Rico” drive,” Senator Elaine Phillips said. “Because of your generosity, Long Island Cares will be sending more than 14,000

bottles of water to aid those in need and still reeling from the devastating hurricanes.

Residents in Puerto Rico are still in desperate need of water and we will continue the drive through December.”
