Advancing Justice Reform in Our Community

JESSE HAMILTON October 23, 2017

| ISSUE: **CRIMINAL JUSTICE REFORM, JUSTICE REFORM, RAISE THE AGE**

Justice-minded advocates joined with me to present a community workshop on how our community can benefit from new criminal record sealing law and ways to build on the successes of Raise the Age.

Thanks to our partners and panelists who joined us from DREAMS YouthBuild, the Fortune Society, Brooklyn Defender Services, the Community Service Society of New York, the Drug Policy Alliance, and the Legal Aid Society.
